

Mrs. Robbins, Mrs. Soult Lead as Register Contest Goes into Final Week

In just eight more days six residents of Washington Township will be the happy possessors of the cash awards which The Township Register will present the members of its Circulation Club, which has been the center of interest for several weeks.

In that time the six candidates have piled up a colossal number of points through their efforts in securing new and renewal subscriptions to the Township Register.

VICTIM REFUSES TO SIGN COMPLAINT

Two Hayward youths, arrested Sunday evening after Mrs. Betty Bennett, 25, San Jose, reported to police that her purse containing \$1,800 had been stolen from an Irvington tavern, were released the following day when she refused to sign a complaint against them.

The money, according to the bride of two weeks, had been withdrawn from a San Jose bank to be used in buying a home and was in a purse she left on the bar of the tavern for a few minutes while dancing with her husband.

The two youths were arrested the following day on descriptions supplied by witnesses. They admitted taking the purse but insisted that it contained but \$50, of which they had spent nothing. They told investigating officers that after the "split" of the money they tossed the purse from the car in which they were riding.

When police checked the bank from which the money was supposed to have been withdrawn, and found no such transaction, they were told by the Bennetts that they had taken the money from a safe-deposit box.

After additional questioning the couple said they would take the \$50 and forget the whole thing.

MISSION SAN JOSE, IRVINGTON VOTE \$120,000 IN BONDS

Residents of Irvington Sanitary District voted 215 to 33 Tuesday favoring the issuance of \$120,000 in bonds for the district for the construction of a new sewage treatment and disposal plant.

R. J. Wright, secretary of the Sanitary Board, reported Wednesday that residents of Mission San Jose, which was recently annexed to the Irvington Sanitary District, voted unanimously 138 to 0 favoring the proposed bond issue, while Irvington voters balloted 77 favoring and 33 opposed.

A total of 248 votes were cast in the two precincts, less than one-half of the number of notice of election cards sent by Wright to the registered voters.

The bonds to be issued and sold will be of \$1,000 denomination each and will bear interest at the rate of not to exceed five per cent per annum with the interest payable semi-annually. Retirement plan of the bonds calls for \$6,000 of the principal amount of the bonds to mature in each of the years from one to twenty years after the date of the sale.

WESTVACO STRIKE IS TERMINATED

A strike of but less than one day's duration was terminated in Newark Wednesday when negotiations for the Chemical Workers' Union, Local 61, and Westvaco Chemical Company agreed on terms for a new contract.

Some 200 members of the union failed to report to work Monday morning and met at their hall at the corner of Ash street and Thornton avenue, causing a shutdown of the plant.

Shortly before noon an agreement was reached and the afternoon shift returned to work. William Freitas is president of the union committee.

MEETING SLATED FOR BEET GROWERS

A district meeting of Alameda County Sugar Beet Growers' Association has been called for Wednesday, Dec. 17, at the International Kitchen, at which time Dr. W. W. Robbins, head of the botany division of the College of Agriculture on the Davis campus of the University of California, will deliver an address.

At this meeting, one of several scheduled throughout the state during the first three weeks of December, Dr. Robbins will speak on his work with pre-emergence sprays in planting beets.

Dr. Robbins has revealed that he has found that by spraying weeds just before the beets emerged from the soil after planting, that competition was eliminated and the beet plants made a better growth.

Further, the new plan permits the preparation of the soil in the winter, making a firm seed bed after the season's rains, without waiting for late spring plowing to eliminate weeds.

LETTER TELLS OF DESPERATE NEED ABROAD

YOUR OLD COAT CAN BE WORN BY SOMEONE

E. F. Glassbrook, chairman of the local township clothing drive, received the following letter this week from the American Friends Service Committee. After reading the letter you'll immediately want to go through your clothes closets and bottom drawers and get your things down to your nearest school. Clothes may be left at the schools or your cleaner will pick them up if you call him. Do it now!

December 10, 1947
Mr. E. F. Glassbrook
Niles, California.
Dear Mr. Glassbrook:

Just before I received your telephone call this morning I read in a report on our work in Germany that of all the shortages none is as appalling as baby clothing. 520 babies were born in Dueseldorf in October, but not a single ration coupon was issued for the purchase of a diaper. Diapers to all intents and purposes simply do not exist!

ROYAL FAMILY WRITES TO NILES

It isn't often—or perhaps it never has happened before for all we know—that a letter from British royalty has found its way into the Niles post office. And there was no mistake about it, for the letter was addressed to Mrs. J. C. Shinn in reply to a letter of felicitation she wrote to the recently-wed Princess Elizabeth of Great Britain.

You see, Mrs. Shinn's anniversary and the Princess' wedding fell on the same day. That fact prompted Mrs. Shinn, who became a widow only a short time ago, to write a letter to the Princess expressing the hope that she and Philip, just beginning their wedded life together, would have as much happiness as she and Mr. Shinn had had throughout the years.

The letter in reply was written to Mrs. Shinn by the Princess' lady-in-waiting.

JUDGE A. G. NORRIS ELECTED CHAIRMAN OF SCOUT COUNCIL

For the first time in the history of Scouting in Washington Township a man from this district has been elected to the top position of chairman of the Oakland Area Scout Council.

Judge Allen G. Norris, Centerville, was named to the key position at the annual dinner meeting and election of officers held Monday evening at Camp Dimond, Oakland. He succeeds Judge Frank Ogden of Oakland.

Judge Norris has long taken an active role in the development of Scouting in this area, this year marking the close of 20 years since he first became Scoutmaster of the Centerville Troop in 1927. In 1931 he was named troop committeeman and in 1934 was elected chairman of the Washington Township District, a position he continued to hold until this year. In 1946 he was elected a director of the Oakland Area Council and chairman of the Southern District. Other Scouters of Washington Township who were present at the meeting Monday evening included: Fred Duffie, chairman of camping and activities; John Cattaneo, neighborhood commissioner; Lewis Lewis, chairman of the committee of Niles Troop 2; C. A. Musgrove and John Hansen, committeemen of Niles Troop 2.

JOINT YULE PARTY FOR LEGION AND AUXILIARY

Following a meeting of the American Legion and Auxiliary of Washington Township this week, plans were made for the annual Christmas party to be held jointly on December 20, at 8 p.m.

Mrs. Rose Vieux was named chairman for arrangements. Also on her committee are Mrs. Betty Pool and Mrs. Stella Benbow.

WATER DISTRICT SEEKS STATE AID FOR RESERVOIR

The Board of Directors of the Alameda County Water District this week sought the assistance of the State Water Resource Board in backing the proposed Folsom Reservoir on the American River as a means of relieving the water shortage in this area.

A letter to Royal Miller, chairman of the state board, stated that W. D. Patterson, president of the Alameda County Water District, and H. F. Harrold, secretary-auditor of the district, recently attended a hearing by the United States Bureau of Reclamation at San Jose and submitted a report on the water situation in the Santa Clara Valley.

This report briefly set forth, among other factors, the dangerous crisis that confronts the local district as a result of the infiltration of salt water from San Francisco Bay into the underground gravel basin and strata on whose waters residents of the area are dependent for the irrigation of lands and industries.

The letter from the district here urged that the State Water Resources Board include in its requests to Congress for appropriations, a high priority rating for the so-called Folsom Reservoir on the American River for the relief of this part of the Santa Clara Valley. "We feel justified in asking this relief because of the urgent emergency faced, not only by our district, but also by the unorganized adjacent areas for whom we presume to speak also," the directors stated.

The directors here have pointed out that the water could be piped here from the proposed reservoir via either the Altamont Pass or Danville.

TWO WAYS TO HELP

The Toyon Branch of the Children's Hospital of the East Bay has many articles of clothing for sale at its salvage shop on Main Street, Niles. If you do not have clothes of your own to contribute to the relief drive being carried on now in the township, why don't you buy something at the Salvage Shop? Your purchase will serve two purposes: your money will be contributed to the Children's Hospital, and the clothes you buy will be sent to the needy people abroad.

ROTARY TO HAVE CHRISTMAS PARTY

The Niles Rotary Club next Thursday will have its annual Christmas party, with decorated tree and gifts in abundance. The gifts, however, will all be for children and will be turned over to the Alameda County Welfare Commission for distribution to underprivileged youngsters. Chairman of the holiday program is Ed Demler. Speaker at yesterday's weekly luncheon meeting at the International Kitchen was Harry Sapper, executive of the Jewish Welfare Organization. He discussed the Palestine problem, reviewing the effort of the Jewish people of the world to set up a haven and home there since the Balfour Agreement following World War I. Kenneth Henry was program chairman.

NEWARK GARAGE GETS CAR AGENCY

Willard H. Walker, operator of the Newark Garage at the corner of Ash street and Thornton avenue in Newark for the past three years, this week has announced that he has succeeded in obtaining an associate dealership for the line of new Kaiser-Fraser automobiles. Walker has redecorated the interior of his show room and will have one of the new Fraser "Manhattans" on display Saturday when residents of this area will be given a preview of the new car. The new dealer here is well known throughout the township having been employed at Westvaco for several years before opening the garage in 1944. His sales territory for the line of passenger cars will cover all of Washington Township.

Newark Business District Slated for Development

The business section of Newark is to take on an entirely new appearance shortly after the first of the year, according to a statement made this week by A. G. Stoll, San Francisco, whose letterheads bear the inscription, Exclusive Agent, Newark Business Section.

In an exclusive interview Wednesday with The Register, Stoll was reluctant to reveal just what firms might locate in the city but promised that by January 15 "you'll see great shipments of lumber and building materials being brought here for the construction of store buildings. We intend to fill up all the vacant lots in three blocks of the business section," Stoll added.

NOW OWNS SITES

He did reveal, however, that his plan calls for the location of chain stores, bank, motion picture theater, and various other businesses, both large and small, in Newark. "We have been able to buy the sites for the businesses and the construction of the buildings will follow very shortly," he added.

In pointing out the desirability of locating in Newark to the various companies with which he is dealing, Stoll has outlined the advantages under the headings: Utilities, freight rates, industrial sites, taxes, payroll total, transportation, housing, and schools.

Under utilities Stoll has pointed out the abundance of power, natural gas and Hetch-Hetchy water. Because of Newark's strategic location on the crossroads of transcontinental freight lines, freight rates are very low. Industry in Newark enjoys one of the lowest tax rates of any industrial area in California and the annual payroll is estimated at \$4,800,000.

ADVANTAGES LISTED

Transportation advantages, as outlined by Stoll, are: Highways—because of the proximity of the Dumbarton Bridge both sides of the Bay are readily accessible; air—in addition to the local airport the Oakland Municipal Airport is only 30 miles; railroad and bus transportation on regular schedules.

Under the Housing heading Stoll points out that there are now 500 homes in Newark with an extensive home-building program now in progress.

Mentioned under the heading of Schools is the new \$151,000 bond issue recently voted by the district for the cost of erecting a new elementary school building.

Stoll sums up his outline of Newark with the slogan, "The Home of Industry," a good place to work, ideal climate, and excellent living conditions.

GOODWIN IS ELECTED CHAMBER SECRETARY

At a luncheon meeting of the Centerville Chamber of Commerce, held Wednesday at the California Inn, Ralph Goodwin, accountant, was elected secretary, succeeding Walter Laboto, who recently resigned that position.

The chamber voted to share with the Lions Club the expense of lighting a community Christmas tree with M. W. Lewis, A. E. Alameda and Joe Adams appointed by President Charles Wauhab to supervise the details.

CHRISTMAS PARTY FOR FARM CENTER DEC. 16

The annual Christmas party for the members of Eden-Washington Farm Bureau Center will be held Tuesday, December 16, beginning at 8 p.m., at Washington Union High School, it has been announced by Manuel S. Abreu, chairman.

Abreu has promised a full evening's entertainment which will include a Christmas tree, a visit from Santa Claus, presents for everyone, and refreshments.

NEWARK COUPLE GUILTY OF THEFT

Bentz Hester and his wife, Dorothy, 550 Mulberry street, Newark, were found guilty of petty theft in Niles Justice Court last Friday when they appeared before Judge E. A. Quaresma.

Judge Quaresma found Hester guilty on two counts and his wife on three counts and ordered the couple to return to court today (Friday) for sentencing. The thefts took place in Newark stores with the loot consisting of an electric clock and automobile accessories.

UNIDENTIFIED BODY FOUND AT NEWARK

The body of an unidentified man was found near Newark about 10 a.m. yesterday where it had been washed by the waters of San Francisco Bay onto the land near the Leslie Salt Company.

The body was discovered by John Bartnik, an employee of the salt company, while he was making his regular rounds of the levee. Deputy Coroner Tom Berge and Deputy Sheriff Henry Vervais, who were summoned to the scene, estimated that the body had been in the water for a period of weeks. It was brought to the Berge Mortuary pending identification.

When found the body was clothed in dark blue pin stripe trousers, a wool army shirt, a plaid shirt, a white shirt, a green coat-type sweater and a dark herringbone weave coat. In the coat pocket the officers found some coins, bits of concrete and a key bearing the number 212. The necktie was a blue plaid and the shoes bore the trade mark, Senator. From the appearance of the body the officers seemed assured that it was that of an elderly man.

When asked if the body might not be that of a navy flyer missing for more than a month since his plane went down in that area, Officer Vervais said yesterday, "I am sure it is not."

NEWARK PLANT TO HOLD OPEN HOUSE

"Open house" will be held at the James Graham Manufacturing Co. plant in Newark today (Friday) from 1 to 4 p.m. for the members of the immediate families and friends of the employees.

Arrangements have been made by the Industrial Relations Department, headed by W. B. Siegel, for 1,000 visitors during the day. It is the first time that such an affair has been held at the plant, which engages in the manufacture of Wedgwood stoves.

"Our staff of office girls will escort groups of visitors through the entire plant, giving them an opportunity to see each process in the making of the stoves," Siegel said yesterday. After the visitors have completed their tour, they will be served refreshments in the showroom of the new office building.

Saturday evening the employees, their families, and friends, will be feted to a dance at the Newark Pavilion, to be given by the company. Music will be furnished by Manuel Pinto and his orchestra.

FORMER RESIDENT DIES IN ALHAMBRA

Arthur Conrad Juhl, Alhambra, a former resident of Centerville and a brother of A. L. Juhl, Niles, died at his home in Alhambra from a heart attack Saturday, December 6.

He was well known throughout Washington Township, attending high school here many years ago and was a member of the first football team formed at the school.

He was a member of the John

Howard Strain Post, American Legion 139, Alhambra; past commander of Disabled American Veterans, San Gabriel Valley Chapter 22; member of Granada Masonic Lodge 602, Alhambra; and past patron of Granada Order of Eastern Star 442, Alhambra.

He was given a full military funeral Tuesday and laid to rest in the Alhambra Cemetery.

Congress established the system of coins issued by the United States mint in 1786.

JR. CHAMBER HEARS SCOUT EXECUTIVE

Fred J. Kiesel, district commissioner for the Oakland Area Boy Scout Council and principal of Markham School in Hayward, was the guest speaker at a dinner-meeting of the Niles Junior Chamber of Commerce held Wednesday evening at the International Kitchen.

He outlined the Scout organization for the entire district and how it functions.

Also a speaker on the program was Stanley Borba, a member of Niles Scout Troop 2, who delivered a sincere plea for the public to show more recognition for the work the Scouts are doing, by attending the Courts of Honor. He pointed out that time and again when a Court of Honor is held, and the boys receive a higher award, there is no one present in the audience to congratulate him and give him a feeling that they are proud of his achievement.

Edward E. Enos, chairman of the Township Hospital Committee, outlined plans for the campaign

to set up a hospital district in Washington Township.

At a short business meeting, presided over by President Harry Cesari, it was voted to again sponsor the free movies for children under 12 years of age as a Christmas party. Each year the Junior Chamber joins Bill Helm, theater owner, in presenting a full afternoon of entertainment free of charge to the youngsters of the community.

The free show this year will be held December 24 at the Niles Theater and will feature a surprise visit by Santa Claus.

IRVINGTON BOX SOCIAL SATURDAY

An old fashioned box social will be held at the Irvington Elementary School Saturday evening under the sponsorship of the Irvington Improvement Club.

The affair, first of its kind ever to be staged by the Improvement Club, will get underway at 7 p.m. and arrangements are being made for a capacity crowd.

The committee in charge of arrangements includes Gus Robertson, Edward L. Rose, Lawrence Dutra, and Walter Connolly.

LAST RITES FOR MANUEL MACIEL

Manuel Bettencourt Maciel, 81, Alvarado, died in a San Jose hospital December 7 following a lengthy illness.

He was a native of the Azores Island but had lived here for many years and had recently retired from farming.

He was the husband of the late Catherine Maciel; father of Mrs. May Garcia, Hayward; Joe Maciel and Mrs. Aurora Lewis, Alvarado; Manuel Maciel, Livermore; and Clarence Maciel, San Francisco; brother of Mrs. Pimentel, Alvarado. He is also survived by eight grandchildren and two great-grandchildren.

Funeral services were held Wednesday at 9 a.m. from the parlors of the Chapel of the Palms, Centerville, followed by a requiem mass at 9:30 at St. Anne's Church, Alvarado. Interment was at Holy Sepulchre Cemetery, Hayward.

HIGH SCHOOL P.T.A. PLAN YULE PARTY

The annual Christmas meeting of the Washington Union High School P.T.A. was held in the school cafeteria Thursday, Dec. 11.

A potluck dinner was served by the P.T.A. members and the faculty members were in charge of the entertainment for the evening. The meeting also featured and exchange of Christmas gifts.

BUEHLERS MOVE TO CENTERVILLE

Dr. and Mrs. Merle Buehler last week moved from Irvington to Centerville where they occupy the home now owned by Dr. Buehler's brother, Dr. Lyle Buehler. Formerly occupied by the Westphals when they were living here in the township, the home has been the residence for the past few years of Mr. and Mrs. Marion Newman. The Newmans have moved into their new home on Merner Road in Hillsborough.

NEW OFFICERS FOR NILES REBEKAHS

At the last regular meeting of Niles Rebekah Lodge No. 336, I.O.O.F., the following were elected to serve for the coming year:

Mildred Barber, noble grand; Florence Dewey, vice-grand; Rose Stearns, recording secretary; Fern Mitte, financial secretary; and Ivy Cull, treasurer. Appointive officers will be named at a later date.

Installation ceremonies will be held Friday evening, Jan. 16, at Odd Fellows Hall, Niles, under the supervision of Nina Bartholemew of Pleasanton, district deputy president of District 53, and staff.

The lodge members will meet Friday evening, Dec. 19, with their families to enjoy the annual turkey dinner and Christmas program. Dinner will be served at 6:30. Reservations for the dinner should be made by December 12 to Ivy Cull, chairman of the dinner committee. The evening's entertainment will be under the direction of Ruth Andrews, chairman of the entertainment committee. Members of Nicon Theta Rho Club will take part in the evening's program.

SCHOOL PREPARES FOR YULE PAGEANT

Students of Washington Union High School are busy rehearsing and preparing decorations for the annual Christmas Pageant which they will present Sunday afternoon, Dec. 21.

This year's pageant is entitled, "The Living Tree," and will be given under the direction of Mrs. Martha Hartog. It will be preceded by an organ recital by Dwight Thornburg, who will also direct the Glee Club in their part of the performance.

An added decorative motif this year will be numbers of colored prints of Madonnas, by the old masters, which will be on exhibit in the lower halls of the building. The exhibition is being sponsored by the C.S.F. with Diana Crossman as their leader. The religious accent of the pageant will be supplemented by these colorful pictures.

GRAVEL COMPANY SCOTCHES RUMORS ABOUT CLOTHING

"Yes, there were clothes in the box-cars unloaded at our plant," stated Quayle Collinson, manager of the Pacific Coast Aggregates at Niles, "but, with the exception of a few isolated items, they were unwearable."

This was in answer to a query regarding a rumor that is being circulated around Niles that a carload of clothes had been dumped on the property of the gravel company.

Although the incident happened last spring, the rumors started to of a case near Healdsburg in which good, wearable clothing, originally intended for relief abroad, had been found dumped and discarded.

"Three box-car loads of car-packing materials were given to us by the Southern Pacific, which we use for car-packing of leaky cars," explained Collinson. "In two of the box-cars there was only burlap and old strips of canvas. In the third car, however, there were bales of surplus army goods—sheets of used canvas that were used on transport ships during the war. Also in this car were army knapsacks—the kids in Niles pretty well cleaned us out of those—and some bundles of clothing. I'll be frank in saying that a very few items, had they been repaired by a seamstress, could have been worn. But these were negligible and for the most part they were nothing more than rags."

He went on to explain that the way the story got started probably resulted from the above-mentioned knap-sacks. "The kids found out about them and tore open bales after bales trying to find more. They undoubtedly went home and enlarged upon the story until their parents got the impression that good usable materials were being dumped." He went on, "Fortunately, our case does not parallel that in Healdsburg. We have not used any clothing that would have done anyone any good."

PACK FOOD FOR SHIPMENT OVERSEAS

Members of St. Jude's Institute, Y.L.I., Irvington, last week packed more than 300 cans of food for shipment to the needy in Europe.

The food was assembled at St. Joseph's Church, Mission San Jose, the contributions of the church parishioners and the students of St. Mary's of the Palms School.

FIREMEN OF FOUR COUNTIES MEET AT NEWARK, ELECT

Two hundred and twenty-five fire fighters and their guests attended the Alameda County Firemen's Association Annual Stag Party and election of officers, which was held at Newark Pavilion Saturday evening with Newark Fire Chief Joseph Pashote, past president, as host for the evening. The affair also honored Karl T. Goepfert, retiring secretary of the organization.

OFFICERS FETED

Officers elected for 1948 were as follows: Chief George Drennan, Fairmont Hospital, president; Chief Fred Pimentel, Albany, first vice-president; Captain Charles Vira, Pleasanton, second vice-president; Chief Thomas Lane, Alameda, secretary; and Battalion Chief Frank Sandy, Oakland, treasurer.

Chief Sandy served as toastmaster at the turkey dinner and gifts were presented outgoing President

Chief Lester Oliveira of Ashland, and retiring Secretary Goepfert. Firemen and chiefs from Alameda, Contra Costa, San Mateo and San Francisco counties attended the dinner-meeting.

MANY OFFICIALS HERE

Special guests seated at the head table included: Sheriff Jack Gleason; District Attorney Frank Coakley; Supervisor Thomas E. Caldecott; Jay W. Stevens, fire marshal; Tom Larke and Captain Theodore Trixett of the Bureau of Fire Prevention of San Francisco; Lorin Bush, chief engineer of the Pacific Coast Board of Underwriters; chief Burke of the Oakland Fire Department; Chief Hugh Morse, San Mateo; Chief Tom Cuff, Menlo Park; Chief A. W. Vargas, Concord; W. B. Klaus, of Associated Oil Refinery, Avon; and Chief Ora Burnett, El Cerrito.

Last week's meeting was reported to have been the largest ever held by the group with reservations for 160 and 225 attending the dinner.

The Argentine Republic consists of fourteen provinces, ten territories and one federal district.

Great New Gears!

IN THE NEW "CATERPILLAR" D4 AND D6 TRACTORS

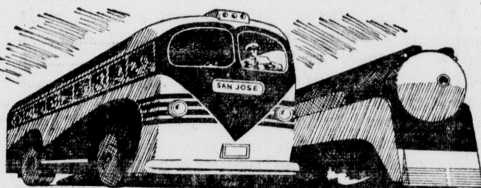

New gears with far greater strength, higher wear-resistance and more load-bearing capacity than pre-war gears are in the transmission of the new Diesel D4 and D6 Tractors.

These gears have their teeth shaved to a smoothness heretofore unknown. A crowned effect at the center of each tooth results in an even distribution of load stress... the slight distortion produced under heavy effort is equalized by the thicker section of the gear tooth at its center. Hi-Electro hardening adds wear-resistance to final drive gears.

SPORTSMEN WANT
BUDGET CHANGE

The Associated Sportsmen of California will recommend several changes in the proposed Fish and Game budget when that item comes up for discussion before the State Finance department in the hearings scheduled at Sacramento Tuesday, Dec. 16.

The Associated Sportsmen will suggest that expenditures be shifted to concrete work on field projects. "We must direct our efforts toward improving fish and game habitat if we expect to increase

fish and game populations," the sportsmen declared.

Specific recommendations touching on the conservation-education program, fish screens and ladders and administration may be expected from the sportsmen, it was indicated.

An allotment of \$9,000,000 from the Horse Racing fund was made to the Fish and Game Commission at the last legislative session, and the present budget hearing concerns a portion of that money.

Oysters have been cultivated for some 2000 years.

ALUMNI SCORES
THIRD VICTORY;
IDLE THIS WEEK

The Washington Alumni football team's goal line remained uncrossed Sunday when they downed a powerful squad from the Presidio, San Francisco, in a game played here at Washington Memorial Stadium.

The Washington lads, coached by Lawrence Pine and Johnny Davis, piled up a total of 26 points while holding the visitors scoreless. In their first three games played thus far this season the localites have scored 110 points while holding each opposing team scoreless, downing Hayward Raiders 31-0, Oakland Fleetliners 53-0, and the 26-0 win Sunday.

NEXT GAME DEC. 19

The squad will be idle this week-end but on December 19 will play a return game with the Hayward Raiders on the Hayward field, a night game which will include the dedication of the new lights for the high school field there.

In last Sunday's game the Alumni took the ball on their own 33-yard line and powered their way down the field with Weldon Pine plunging over from his own 6-yard stripe for the first score at the end of five minutes of play. The attempted kick for extra point was no good.

The localites kicked and the visitors were downed on their own 30-yard line. The remainder of the first quarter found neither team able to seriously threaten to score, see-sawing back and forth across the mid-field stripe.

PLAY IN RAIN

Half way through the second quarter, playing in a light drizzle of rain, Milton Mohn went over for the second Washington score and Gardella's kick added the extra point, giving the locals a 13-0 lead which they held at the end of the first half.

Early in the third quarter a pass interception by Presidio broke up a Washington drive but they were unable to penetrate the Washington defense and the quarter ended with Washington taking over on their own 40.

The Alumni marched to the Presidio 3-yard line in the opening

FOOTBALL CROWN
IRVINGTON DROPS
TO SECOND PLACE
IN PENANT RACE

The Decoto Elementary School touch-football team Wednesday won the crown as champions of Southern Alameda County by defeating Bret Harte School of Hayward 19 to 6.

The Decoto goal line was crossed for the first time this season in the championship playoff Wednesday when the Hayward lads got one lone touchdown. During the entire season the Decoto team has piled up a total 210 points while allowing their opponents but six points.

The right to play in the championship encounter was won by the Decoto team by virtue of their 36-0 victory over Pleasanton Elementary School on Friday, Dec. 5, in the Washington Township-Pleasanton Township play-off.

The team, which is coached by W. L. Graves, 6-7-8 grade instructor at the school, includes: John Rivera, E. Elizarrey, Simon Martinez, Raul Rojas, George Pagan, Rudolfo Cantu, Asuncion Regna, Gilbert Gonzales, Henry Mendoza, Manuel Alcon, Edward Caravallho, Tony Nieves, and Pete Cerranty.

minutes of the final quarter and after three plays failed to gain Bernard flipped a pass to Mohn in the end-zone for the third score. The kick was no good.

VISITORS POWERLESS

The nearest the visitors came to scoring was mid-way in the final quarter when they fought to the Washington 20-yard line. A Presidio fumble was recovered by Mohn, a Washington pass was intercepted on the 30 but on the second play another fumble was recovered by Bragg. From then on the local lads retained possession of the pigskin for the remainder of the fray. Bernard passed 40 yards to Bois and on the second play Bernard broke away on the visitors 30 and dashed into the end-zone for the final Washington touchdown. Gardella added the extra point by booting through the uprights as the game ended.

The Irvington Merchants were toppled from first to second place in the Southern Alameda County Winter Baseball League last Sunday when they were defeated on their home diamond by the undefeated Golden State Fireworks team by a score of 12 to 4. The defeat was the first in the second half of league play for the Irvington team.

The Niles team, still looking for its first victory, was rained out at the beginning of the fifth inning in a game with the Hernandez Market. Manager Tom Pugmire stated this week that for the remainder of the season the Niles team will play their home games at the Bret Harte diamond at 11 a.m. each Sunday.

Al Ferreira, manager of the Marlo team of Decoto, has announced that the Decoto team has dropped out of the league for the remainder of the season pending the possibility of locating a field for their home games.

Irvington, slated to meet Decoto Sunday, will be idle this week-end while Niles will meet Golden State Fireworks.

HUSKIES DEFEATED
IN CAGE OPENER

The Washington High School Huskies' varsity basketball team lost their opening encounter last Friday at the Monterey court 25 to 16, but won their first home game Tuesday by downing Menlo 35 to 15.

The "30" squad lost both of the opening games, bowing to Monterey 21 to 12 and to Menlo 22 to 13.

Using mostly inexperienced men this season Coach Voorhees has singled out Ruben Rodriguez, Joe Sankene, Andy Graber, Gil Orozco, Larry Fernandez, and Irving Alameda as his best combination to date.

Coach Irving Hird, "30" mentor, is staking his hopes on a likewise inexperienced combination which includes A. Castillo, T. Nishioka, George Silveira, Jack Chandler and Jess Corrales.

The Washington squads will journey to San Jose tonight for a double-header with San Jose High.

the first game slated for 7:30 p.m. The double-header event with Jefferson on the home court originally scheduled for Tuesday has been postponed until Wednesday and will get underway at 3:30 p.m.

TO MR. AND MRS. WASHINGTON TOWNSHIP

You, Mr. and Mrs. Washington Township, have just fallen heir to \$62,000! This is the total amount of Christmas savings you have put in banks of Washington Township. It is indeed a sizeable amount, to be proud of, but we will hold congratulations in check until we find out HOW and WHERE you spend that money.

We would like to ask this question: Aren't your friends the first ones you would like to see benefit from any good fortune that comes to you? It is not strangers, but rather those who have done us favors in the past, who have been there to give us a helping hand in time of stress, who have been loyal—these are the ones who are deserving of any reciprocal favors.

Remember, then, when you, Mr. and Mrs. Washington Township, are spending \$62,000 on your Christmas shopping that the TOWNSHIP MERCHANTS are your friends! They have aided you over during times of financial stress; they were able, during the war times, to get those scarce items for you; they extend that friendly courtesy and neighborly good will to you at all times.

For these reasons, and many others, we hope you remember they are your friends, and that you will have the graciousness and courtesy to acknowledge the fact by patronizing their stores insofar as you are able when you do your Christmas shopping.

There is a certain excitement, of course, in "going to the city" to do your Christmas shopping. After a day of shopping in the city, however, the excitement turns to bitter disillusionment. The crowds make it almost impossible to get waited on. There is the added difficulty of transportation in getting from store to store, or, if you walk, the age-old complaint of "my feet are killing me." And finally, there is that impersonal take-it-or-leave-it attitude of those who wait on you, so unlike the friendly what-can-I-do-to-help attitude of most of our township merchants.

There are many fine stores in our township, with good lines of merchandise. If you say plaintively, "But I can't seem to find anything," then you lack imagination. Chances are you're the type of person who would have an equally difficult time in finding anything in the city.

There is a gift for everybody on your gift list right here in our township stores.

That's a challenge to your imagination. Accept it. Go out and see what you can find. You'll be surprised at the results, and you'll feel far happier because you not only will have done yourself a service in saving time, money and wear and tear on the nerves, but you'll have done your township merchant a service by letting him know, in effect, that you appreciate his past courtesies, that you are GLAD that he is here, making it convenient for you to shop.

B.P.W. CLUB TO DISCUSS VITAL CIVIC PROBLEMS

In accordance with present plans to form a hospital district in this area, the Business and Professional Women's Club of Washington Township at its regular meeting last Monday at the P. G. & E. clubhouse in Newark, voted to endorse the hospital district proposal and to offer its services in publicizing and enlisting public interest in the plan. Mrs. Ann Mayock was appointed to head a committee to sponsor a public meeting, to be held some time in the spring, at which an out-of-town speaker will be engaged to appear before the public explaining the issue in full detail.

The club also went on record as favoring an investigation into alleged misappropriation of clothing contributed by the public for stricken peoples abroad. Mrs. James Whipple was appointed to head this committee.

In line with the club's policy of maintaining an active interest in community affairs, the present critical water shortage in the township came up for discussion. President Carmelita Berge, feeling that the members should be more informed on this most important civic question, appointed a committee, headed by Miss Rosaline Egan, to investigate and to give a subsequent report to the club at its January meeting.

The initiation of new members concluded the business of the evening. Those initiated were: Miss Dorothy Reed, Miss Dorothy Czerny, Mrs. Irene Henderson, Mrs. Beatrice McCartney, Mrs. Clyde Hewitt, Mrs. Joe Enos, Mrs. R. Cozzi, and Mrs. John Oliveira.

Refreshments were served, and an evening of Dutch whist provided the entertainment.

The January meeting will be held at the high school.

The Egyptians, according to the Encyclopaedia Britannica, believed that the human spirit after death was capable of traveling on land but required assistance across the waters of the Nile. Thus, they buried with their dead a model boat called a "Spirit Ship" to assist the soul across the water.

NEWARK CANARIES WIN AT OAKLAND

The raising and training of Roller canaries, which Mr. and Mrs. John Wolf of 614 Mulberry street, Newark, began three years ago, has turned into a near full-time job for them with their original trio of birds now swelled to an avairy containing some 120.

Mr. and Mrs. Wolf, who first entered their birds in competition at the Oakland International Roller Canary Club Annual Song Contest last year and won many trophies and ribbons, returned home Sunday evening from their second year of competition in the show, again loaded down with awards.

This year they entered three teams of four birds each in the amateur division and won the following awards: Kriegg Trophy for championship bird; first award, single young bird; first award, young team competition; second, young team; third, young team; and a first, second and third in the third teams division.

Proof of the local couple's ability to raise high ranking birds was borne out by the fact that one entire team was purchased after the show by a Utah man who had entered birds in the contest.

Mr. and Mrs. Wolf are now readying two other teams for participation in the Berkeley Continental Show, which will be held December 30 through January 3.

'DREAM GIRL' IN SAN JOSE SOON

"Dream Girl," the Elmer Rice comedy starring Lucille Ball and a New York cast, plays in the civic auditorium, San Jose, on next Thursday night, Dec. 18. The large cast of 31 includes many from the New York production, the show having run 347 nights on Broadway. Some of the players were also in the Chicago "Dream Girl," and all were in the "straw-hat" circuit which took in the eastern states and Toronto last summer.

Lucille Ball is at her alluring best in the sophisticated comedy. Her many costume changes are made during the momentary blackouts which take place as, in the role of Georgina Allerton, she shifts from her book-shop into the dream world, peopling it with those who come into the shop, and fancying herself involved in all sorts of fantastic situations with them.

Tickets for "Dream Girl" are on sale at the Denny-Watrous box office, San Jose auditorium.

ADULT EDUCATORS ELECT OFFICERS

Mrs. Emma Doane, vice-principal of the Washington Evening School, was elected president of the California Council for Adult Education. East Bay Chapter, at a meeting of that group held at the International Kitchen last Friday evening.

Other officers elected were: Mrs. Fay Johnson, Berkeley, vice-president; Miss Mary Van Winkle, Centerville, secretary-treasurer. Mrs. Doane succeeds Mark Masson, Hayward, as president of the organization.

The beautiful table decorations arranged by Mrs. Mary Machado and Mrs. Catherine Power received many compliments from the visiting instructors.

NEWARK FIREMEN INCREASE SERVICE

Beginning the first of the year, the Newark Fire Department will have a second full-time man on duty providing 24-hour service, it has been revealed by Fire Chief Joseph Pashote.

Louis Caldeira, second assistant chief of the department, will go on full time status with Chief Pashote and a shift system is to be set up providing the fire station with a man on duty both day and night. This plan has been recommended by the Board of Fire Underwriters. Chief Pashote has stated that with the addition of a second full-time man at the station he will have more time for inspection and the enforcement of the Fire Prevention Ordinance.

MORE STEEL IS ON THE WAY

ONE BILLION DOLLARS

Worth of New Plant Capacity Is Being Added

STEEL production in 1947 is breaking records.

More than 7,564,000 tons of ingots were turned out in October, which is more than the average monthly output during the peak year of World War II. Total tonnage for this year will be 17,000,000 tons more than the record for any previous peacetime year. This has been accomplished despite shortages

and poor quality of raw materials, particularly scrap and fuels.

The mills are going at high speed now, and more production is on the way.

Steel companies are spending more than one billion dollars to expand and improve their plants. Over 2,500,000

tons of new steelmaking capacity is being added.

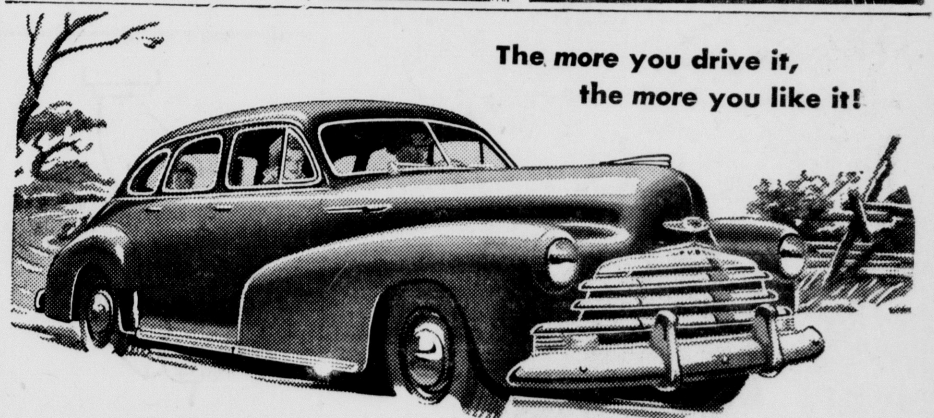

Demand still is great and some shortages still exist. But production is catching up as rapidly as possible. Every month there is more steel for the things you want.

FREE IMMUNIZATION FOR PRE-SCHOOLERS

Dates for immunization clinics for pre-school children in the township have been announced by the Alameda County Health Department. The immunizations are for whooping cough, diphtheria and small pox, and may be taken free of charge by any child in the township.

On Monday, Dec. 15, the clinic will be conducted at the Newark school at nine o'clock, and at the Alvarado school at one o'clock. The clinic will be held at the Niles school on December 17 at nine o'clock. Dr. Ankers of the health department will do the vaccinating.

KLATAWA COUNCIL TO RAISE YOUTH FUNDS

Ways and means of furnishing the quonset Scout hut of Niles for the young people of the community were discussed at the last meeting of the Klatawa Council No. 251, on December 3. The Council expressed the desire of adding more entertainment facilities to the hut and decided on a money-making venture for so doing.

Other business of the evening was the appointing of officers for the ensuing term, and the discussion of plans for the Christmas party to be held on December 15.

T.B. DEATH RATE SHOWS INCREASE

"Tuberculosis is the first cause of death in the 15 to 45 age group. There are more than one-fourth million people in the United States who are walking around with active and undiscovered cases of tuberculosis," stated Mrs. Helen Trowbridge, Oakland chairman of the Christmas Seal Sale, in a recent talk to the 28th District of Parents and Teachers Association. Mrs. Trowbridge explained that tuberculosis can be cured if it is found in its early stages.

Mrs. Trowbridge stressed the importance of the success of this year's Seal Sale in the United States by explaining that lack of good housing and improper diet have helped to make tuberculosis a number one killer in post-war Europe.

**THE LIFE STORY OF GENERATOR 0-63000**

You cannot buy a powerhouse by catalog order. You must have it built to specifications right from the ground up. Take the giant electric generators for example—they take months and years to build and assemble part by part. Here is the life story of generator 0-63000 long on order.

During the later part of 1949 it will be set in place in the new \$35,400,000 Rock Creek Powerhouse this Company is building on the North Fork of the Feather River in Plumas County. It will then be "tuned up" like a grand piano along with an identical unit dedicated to a life of spinning out 169,000 additional electric horsepower for Northern and Central California.

Generator 0-63000 will be more than two years old before it goes to work producing power. Factory fabrication time will take 21 months. Upon arrival at the Rock Creek Powerhouse, five months will be required for re-assembly and run-in tests.

Generator 0-63000 is one of fourteen new generating units this Company is now installing for new and enlarged hydro and steam electric powerhouses that are part of our present \$350,000,000 construction program.

SPORTSMEN JOIN IN PROTECTING PROPERTY

Charles Riles, secretary of the Niles Sportsmen's Club, reported this week that the local organization has joined in the program of the Associated Sportsmen of California to protect farmers' property.

The Sportsmen's Club here has received the special "No Hunting Without Written Permission" placards, put out by the A.S.C., which make a plea for hunters and fishermen to respect the rights of farmers.

WATERFOWL SEASON WILL RE-OPEN DEC. 23

The waterfowl season will re-open again for a 14-day period beginning December 23.

The same regulations which prevailed in the earlier 14-day season will be in effect. These consist of a daily bag limit of four ducks with eight allowed in possession after opening day.

Shooting hours are from sunrise until one hour after sunset, except on the first day when hunting may not commence until noon.

LETTERS MAILED IN WRONG POST OFFICE

Some eager person with the apparent urge to become the first to mail letters from the new post office building in Centerville, caused Postmaster Manuel Lewis considerable trouble this week.

Several letters were stuffed into the opening which will eventually be a mail chute in the front of the building. The difficulty lies in the fact that the chute has not yet been installed and the letters fell down between the inner and outer walls of the structure, requiring several minutes of "fishing" by Postmaster Lewis before the letters could be reached and taken over to the present post office and mailed.

Lewis stated this week that the post office will be moved into the new building around January 15.

By VIVIAN BATMAN

This is the third time I've written this column this week. My other two attempts were blue-pencilled by the editor, as being—er—well, just a little too much out on a limb. So I'll write an innocuous painless column—that is, painless to everyone except me! But wait! All the editorial staff around here—including the editor—swears that they have been working so hard that they'll just have to take two weeks off after Christmas. Then I—and I alone—will be the editorial staff. See what I mean?

THE POOR FISH

He loved fishing so much that he thought everyone else ought to love it. In his zeal he took a novice with him on a fishing trip, furnishing all the tackle. The expert settled the novice in a likely spot and then began fishing not far away. In a little while the novice called:

"How much do these red and green things cost?"

"You mean the float?" the expert replied. "Oh, about a dime, I guess."

"Well," said the novice, "I owe you a dime; mine has sunk."

—Texas Outlook

WOULD SERVE YOU RIGHT

In Europe children are unable to attend school because of lack of clothing. Think how cold you'd have been these last few days in the township with no coat or stockings or perhaps no shoes. And over there it's much colder. If you fail to contribute any articles of clothing to the clothing drive now going on in the township (see news section) I hope your furnace

breaks down, or you get chilblains, or your kitchen pipes freeze—so there!

WISE PLANNING

With the building boom expected soon in Newark—and the subsequent upsurge in population—it is a good thing that plans are underway for a hospital in this area. Our township is no longer the little sister wearing her big sister's cast-offs. She has grown out of short skirts and is demanding that some attention be paid her in her own rights. The township is set to grow, and to grow fast. It is the wise planners who plan now for every facility—including a hospital—to take care of the rapid increase in population.

NEW STORE WILL OPEN DECEMBER 13

Ergar Van Scoy, Centerville, has announced that his new jewelry store in Centerville will be formally opened in the new building at 177 South Main Street Saturday. He will carry a complete line of diamonds, watches and jewelry and will feature a watch and jewelry repair department, which is stacked with the latest equipment, including an electronic time-graph for the timing and adjusting of watches.

Van Scoy, who served during the war in the U. S. Navy, was discharged in December, 1945, as a First Class Petty Officer, and since that time has been employed at a San Jose jewelry store.

Mrs. Van Scoy, the former Doris Machado, former Washington Union High School teacher, will assist her husband in the operation of the new store.

COMMUNITY CHEST GOES OVER \$7,500

The final tabulation of the contributions received in Washington Township during the Community Chest Campaign was made this week by Chairman Warren Gravestock and Treasurer Carl Christensen, and revealed that a little more than \$7,500 had been received.

The amount represents more than \$1,500 in excess of the quota of \$6,000 which had been established for the district. The amount raised in excess of the quota will be set aside as a balance to meet any emergency or new requests for local welfare which the board of directors might see fit to allow.

The budget for the year allowed for the \$6,000 includes \$2,820 to the Boy Scouts, \$1,500 to the Girl Scouts, \$1,300 to the Salvation Army, and \$380 surplus and operating costs.

JOHN CARVALHO, DECOTO, SUCCUMBS

John Carvalho, 59, 416 Fifth street, Decoto, succumbed in an Oakland hospital December 5, following a lengthy illness. He was a native of Porto Rico but had made his home here for the past 27 years.

He was the husband of Marcelina Carvalho; brother of Domingo Carvalho, Hawaii; father of Henry, Albert and Edward Carvalho, Mrs. John Fletcher and Helen Carvalho, all of Decoto; grandfather of Lorraine, John Jr., Anita, Barbara and Joan Fletcher, all of Decoto. He is also survived by many nephews and nieces.

Funeral services were held at 9 a.m. Tuesday from the home of his daughter, Mrs. Madeline Fletcher, 425 Fourth street, Decoto, followed by a requiem mass at Corpus Christi Church, Niles, at 9:30 a.m. Interment was at Holy Sepulchre Cemetery, Hayward, under the direction of the Berge Mortuary Company of Niles.

FUTURE FARMERS HONOR LEADERS

The annual Christmas banquet of the Washington Union High School Chapter of Future Farmers of America was held at the school cafeteria last Thursday evening with the parents of the members as guests.

J. V. Gould, district school superintendent, and Jed Oxborrow, faculty adviser to the organization, were presented honorary memberships in the chapter, constituting the annual award to the community's "outstanding citizens who have most helped the Future Farmers."

Special guests included A. G. Thomson, F.F.A. adviser at Amador Union High School, Pleasanton; Olin Markwell, adviser of the Hayward High School Chapter; Rev. T. A. Reardon, vice-president of the English College at Lisbon; and representatives of the local civic organizations which have aided the F.F.A. activities here during the past year.

Students participating in the program were Salvador Galvan, president; Louis Marchy Jr., master of ceremonies; Frank Hermosa, Ed Estacio and Clarence Chivers. The program included music by Lorraine Brown, accordionist, and motion pictures of the chapter's

first stock and horse show held at the school last spring and which will be repeated again this year.

DIES IN ARIZONA

Mrs. Florence Smith, faculty member of Washington Union High School, was called to Tucson, Arizona, this week by the death of her mother. Her Latin and English classes are being taught by Maurice Bejack, substitute teacher, of Hayward.

STADIUM COMMITTEE RETIRES \$1,800 OF LIGHTING SCRIP

Eighteen per cent of the \$10,000 raised in Washington Township during the summer for the lighting of Memorial Stadium has been set aside for return to the scrip purchasers, it has been announced as a result of a meeting of the Stadium Executive Committee.

It was determined at the meeting that the scrip held by individuals would be redeemed before that held by organizations. A survey of the organizations holding scrip was first made to determine if that arrangement was suitable with them. Without exception the organizations expressed willingness to hold the non-interest bearing scrip until individuals were refunded their investments.

CAPTAIN DRAWS NAME

The receipts from the six high school night football games, plus rental from the field, a donation from the high school student body, and a sum of money collected but not used in the erection of the lights, were lumped together to make the \$1,800 that is now being returned to the investors.

A drawing was held at the meeting of the board last Thursday evening and Phil Enciso, captain of this year's football team, drew the name of Mrs. Virginia Lord, matron at the Masonic Home, who became the first to have her certificate redeemed.

Members of the committee continued the drawing until the total amount to be retired this year had been reached.

NEXT DRAWING IN 1948

Warren Gravestock, chairman of the committee, stated that all persons holding scrip, whose names had been drawn, would be notified this week by mail to call at the school with their scrip and redeem it for cash.

The redemption of the first series of scrip came less than three months after the dedication of the field and the committee is hopeful that the entire amount can be refunded by the end of five years.

Gravestock expressed belief that no more drawings and retirement of scrip would be made until the close of the football season in 1948.

NEW OFFICERS FOR MASONIC LODGE

The 84th annual installation of officers of Alameda Lodge No. 167, Free and Accepted Masons, will be held at the Masonic Temple, Centerville, Friday, December 19, beginning at 8 p.m.

Frank A. Katzer will be master of ceremonies for the evening and Marston C. Dassel will be the installing officer. Officers elected at the December 3 meeting who will be installed here are: William Beck, worshipful master; Raymond Harvey Joliff, senior warden; Fred Melhase, junior warden; Edwin Addison Richmond, treasurer; Hugh Milton Kibby, secretary; Arthur T. Biddle, chaplain; Richard Albert Jolly, senior deacon; John Brahmst, junior deacon; Marston Campbell Dassel, marshal; William Rogers, senior steward; Clark Redeker, junior steward; and Chris Mikkelsen, tyler.

The program will include the entrance of officers of 1948, installation, proclamation, presentation of jewels, reception, and refreshments.

COUNTY FAIR GETS STATE ASSISTANCE

The Alameda County Board of Supervisors has been notified that the state has allotted an additional \$100,000 to the original \$50,000 for construction purposes at the county fair grounds at Pleasanton.

A contract was recently let for erection of four new exhibit palaces and some additions to the existing horse barns. "All construction work will be concluded in sufficient time for the opening of the 1948 Fair in July," Harry Bartlett, chairman of the Board of Supervisors, promised this week.

He added that a comprehensive program of landscaping will be started in the near future and revealed that racing dates have been assigned by the California State Racing Board.

1948 REGISTRATION FEE IS INCREASED

The cost of driving an automobile is scheduled for an upward trend with an announcement this week by the State Department of Motor Vehicles that registration fees for 1948 will be higher than for the past year.

To determine the 1948 license fees for your passenger automobile, ascertain the amount shown in the lower left hand corner of your 1947 white registration card. Determine in which bracket it falls in the left hand columns below, then read the corrected amount down the right hand column. If you own a truck, trailer or motorcycle your corrected 1948 license fee will be listed on the potential registration card being mailed to you in duplicate.

NEW FLORAL SHOP IN CENTERVILLE

Mrs. Florence Porter, Alvise District, has opened a new floral shop in Centerville, located at 264 South Main street, opposite the Centerville Elementary School.

Mrs. Porter has many years experience in the florist business and was manager of Katy's Florist Shop in Oakland before moving here with her husband more than a year ago. She has announced that she will give immediate delivery any place in the township on floral arrangements for weddings and funerals, and corsages. She also has an attractive line of pottery. The new shop will open each day from 10 a.m. until 5 p.m.

HINTS FOR HOMEMAKERS

TOPPING OFF THE CHRISTMAS DINNER

General Electric Consumers Institute

No matter how much the members of the family have stuffed themselves on turkey and dressing and all the other good things on the Christmas dinner table, all eyes turn expectantly toward the kitchen door when it's time for dessert to make its entrance.

You can make that entrance triumphant, and watch expectancy turn to awe and admiration, if you use one of these recipes tested in G.E. Consumers Institute. Delightful to see and delicious to taste, they are traditional desserts with exciting new flavor combinations.

Steamed Fruit Pudding

Tested in the G.E. Consumers Institute

- 1 cup sifted all-purpose flour
- 2 cups seedless raisins
- 2 tsp. cinnamon
- 1 cup chopped dates
- 1 tsp. baking soda
- 1/2 cup chopped candied orange peel or citron
- 1/2 cup salt
- 1 cup firmly packed brown sugar
- 1/2 cup chopped nut meats
- 1 cup ground suet
- 1 tsp. vanilla extract
- 2 cups lightly packed soft bread crumbs
- 1/4 cup orange juice or cooking sherry
- 1 cup milk

Sift together flour, cinnamon, cloves, baking soda and salt. Beat eggs, add sugar, suet, bread crumbs, raisins, dates, orange peel (or citron), nut meats and vanilla extract. Mix well. Add dry ingredients alternately with orange juice (or sherry) and milk. Pour into 3 greased No. 2 cans. Place rack in large kettle or deep well cooker on range. Add 1 cup water. Set puddings on rack. Place cover on kettle or deep well cooker. Cook on high heat until steam escapes freely. Turn to low heat; cook 1 1/2 hours. Serve hot with CREAMY DESSERT SAUCE.

To cook in pressure cooker: Cover pudding in cans with 3 thicknesses of waxed paper. Tie securely. Place cans on rack in pressure cooker; pour in 2 cups water. Place cover on pressure cooker. Steam 15 minutes with pressure control lever open. Close pressure control lever. Cook 35 minutes at 15 pounds pressure. Allow cooker to cool at room temperature.

Creamy Dessert Sauce

Tested in the G.E. Consumers Institute

- 1/2 cup butter or margarine
- 1 cup sugar
- 1/4 cup light cream

Melt butter or margarine; add sugar, cream and salt. Bring to boiling point on high heat. Turn to low heat; cook 10 minutes. Serve hot. Makes 1 1/4 cups.

Cranberry Mince Pie

Tested in the G.E. Consumers Institute

- Pastry for 2-crust pie
- 5 1/2-inch slices cranberry sauce
- 1 quart prepared mincemeat

Make pastry; place mincemeat in 9-inch pie plate lined with pastry. Arrange cranberry sauce on mincemeat. Cover with pastry; seal edges. Bake in 400° F. oven 45 to 50 minutes.

Red Raspberry Holiday Refrigerator Cake

Tested in the G.E. Consumers Institute

- 1 envelope (1 tsp.) unflavored gelatin
- 1 tsp. lemon juice
- 1/2 cup water
- 1/2 cup sugar
- 1/2 cup hot water
- 1/2 tsp. salt
- 1 cup crushed sweetened red raspberries
- 1/2 cups whipping cream
- Angel cake

Soften gelatin in water. Add hot water; stir until dissolved. Add raspberries, lemon juice, sugar and salt. Pour into bowl; place in refrigerator; chill until mixture begins to thicken. Whip cream stiff; fold into raspberry mixture. Cut cake in 1/2-inch slices; line 9 x 5 x 2 1/2-inch pan with slices. Fill with raspberry mixture. Place in refrigerator; chill until firm. Unmold on serving dish. Makes 6 servings.

Cheerio Chocolate Date Pudding

Tested in the G.E. Consumers Institute

- 1 cup sifted all-purpose flour
- 2 squares (2 oz.) unsweetened chocolate
- 2 1/2 tsp. baking powder
- 1/2 cup milk
- 1 tsp. cinnamon
- 1 cup chopped dates
- 1/2 cup salt
- 1/2 cup sugar
- 2 cups water

Sift together flour, baking powder, cinnamon and salt. Gradually add 1/4 cup sugar to shortening; creaming until light and fluffy. Melt 1 square chocolate; add to creamed mixture. Add dry ingredients alternately with milk. Add dates and nut meats. Combine 1/4 cup sugar, 1 square chocolate and water. Bring to boiling point on high heat, stirring until chocolate is dissolved. Drop batter by spoonfuls on hot chocolate mixture. Cover; turn to low heat; cook 25 to 30 minutes. Serve immediately. Makes 6 servings.

Christmas Pecan Pie

Tested in the G.E. Consumers Institute

- Pastry for unbaked
- 1/4 cup butter or margarine
- 1 1/2 cups sugar
- 3 eggs
- 1/2 cup light corn syrup
- 1 cup pecan meats

Make pastry. Combine sugar, corn syrup, and butter or margarine. Bring to boiling point, stirring constantly, until butter or margarine is melted. Beat eggs well. Gradually add hot syrup, stirring constantly. Add pecan meats. Cool to lukewarm; add vanilla extract. Pour into 9-inch unbaked pastry shell. Bake in 350° F. oven 40 to 45 minutes. Makes 4 to 6 servings.

Cranberry Sherbet

Tested in the G.E. Consumers Institute

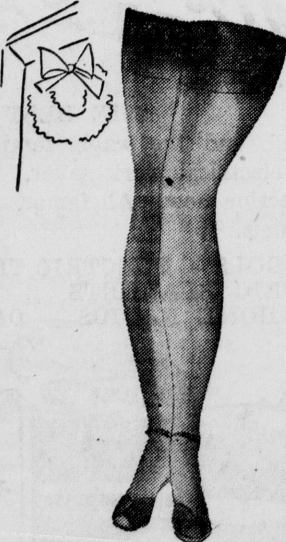

- 1 1/2 cups water
- 2 tsp. lemon juice
- 1/4 cup sugar
- Few grains salt
- 1 1/2 cups strained cranberry sauce
- 1 egg white

Combine water and sugar; bring to boil. Boil 1 minute. Mash cranberry sauce; gradually add sugar syrup. Press through sieve. Add lemon juice and salt. Cool. Pour into freezing tray of refrigerator. Place in freezing compartment of refrigerator. Set temperature control at coldest point. Freeze to mush. Place in chilled bowl; beat smooth. Return to tray; freeze firm stirring several times. Makes 4 to 6 servings.

Circus Party for Four-Year-Old

It was a very festive occasion for little Michael Nordvik, son of Mr. and Mrs. Karl Nordvik of Centerville, when he celebrated his fourth birthday on December 3 at the P. G. & E. clubhouse in Newark. His mother carried out the circus theme in the decorations and refreshments, which provided his little guests with plenty of amusement and entertainment. Balloons and colored clown hats comprised the favors.

Those present included Michael's brother, Billy, Jill and Jeff Voorhees, Susan and Catherine Pesterno, Nolan Steinmetz, Bruce and Van Belshaw, Marilyn Pimentel, Alwyn Silva, Donnie and Ronald Cardoza, Stanley Silva, Becky and Jackie Coley, David Silva, Steven Katzer, Diane Hygelund, Bruce MacGregor, Hal and Jerry Jannsen, and Billy Mann.

Visit Sister

Mrs. Maude Valls and Mrs. Margie Castelan spent Thursday in San Francisco visiting with their sister, Mrs. Ann Byers. Mrs. Byers is the former Ann Lankford.

Bridal Shower By Betsy Ross

A bridal shower for Mrs. George Silva, the former Ida Francis of Decoto, was given last Friday evening by the Betsy Ross Parlor, N. D.G.W., following their regular meeting in Centerville.

A two-tier bride's cake served as the centerpiece on a beautifully decorated table. The cake was flanked with white tapers.

The popular young matron, whose home is now in Castro Valley, received many lovely gifts.

Attend District Meet

Mrs. Anne Rose, Mrs. Evelyn Peixotto, Beatrice Williams, Irene Harvey, Bertha Rose, and Mrs. Anne Perry, all members of St. Jude's Institute, Irvington, attended the district Y.L.I. communion and breakfast held at Hayward last week.

Luncheon Guest

Mrs. Arbuters Milani was a luncheon guest of Mrs. Maude Valls on Wednesday. Mrs. Milani is employed at the Leslie Salt Company.

MR. VIRGIL "SPEED" YOUNG Jr., son of Mr. and Mrs. Virgil Young of Niles, shown with his bride, the former Corinne Garibaldi, daughter of Mr. and Mrs. John Garibaldi of Stockton, at their wedding reception held at her parents home. The couple was married in Carson City. The bride is still a student at San Jose State, where she is affiliated with Sappho sorority. Mr. Young, a graduate of San Jose State, served in the Army Air Corps during the war. He is now employed as an estimator at Daley Brothers in Belmont and teaches apprentice carpentry at Washington High two nights a week. They are living in Centerville.

'THIS BELIEVING WORLD' REVIEWED BY DECOTO DISCUSSION GROUP

By ETHEL AVILLA

How religion began and its development through the early ages is the theme of Lewis Browne's book, "This Believing World," discussed Wednesday, Dec. 3, by the Decoto Discussion Group at the home of Mrs. Lewis Musick.

How it all came about, this thing we call religion: Centuries ago men, compelled by fear, searched for a faith with which to save themselves. Men first tried to control the "spirits" with magic, then came shamanism and fetishism, idolatry, then the prophets and priests. Though crude and barbaric, religion was developed, and the world was saved. The following quotation is from the prologue, "Wherever there is a man, there also seem to be also

a spirit or a god; wherever there is human life, there is also faith."

Preceding the meeting, the members enjoyed a delicious luncheon served by the hostess. The table was attractively decorated with a lace cloth and a long, low centerpiece of violet-colored chrysanthemums.

In January a no-hostess meeting will be held with a luncheon at the International Kitchen. Mrs. Edward Mara, leader, has selected "Katrina" by Sally Salminen as an example of foreign fiction to be read and discussed at that time.

Vernon Leal, Irvington, who has been confined to his home for the past two weeks because of an ear infection, is still unable to be back at work at his store.

Housewarming

Mr. and Mrs. Wilson Bowers recently gave a small party, as a housewarming, in their new home in Holland Court on Santos Road. Mrs. Bowers prepared a turkey dinner with all the trimmings. Their guests were Mr. and Mrs. Ed Olson and son, Vincent, of Oakland, Mrs. Della Crane, Lee Salisbury, A. V. Hill and Mrs. Leona Hill, all of Niles.

Attends Luncheon

Attending the testimonial luncheon for Dr. Monroe Deutsch, provost and vice-president of the University of California, at the St. Francis Hotel last week was Mrs. J. C. Shinn of Niles. Over 500 people were present at the affair at which many speeches eulogizing the educator were made. Mrs. Shinn was a classmate of Dr. Deutsch at the University.

Employees to be Feted

The annual Christmas dinner party for the employees of the Niles Electric Company will be given this evening at the International Kitchen by Mr. and Mrs. John Brahmst. Wives of the employees will be guests at the yearly affair.

New Residents

New arrivals in Irvington are Mr. and Mrs. M. E. Ayres, formerly of Santa Cruz. They have taken up living quarters on the Giles place in Irvington and expect to make their permanent home here. Mr. Ayres is employed at Redwood City.

Recuperating

Friends of the A. B. Hills of Alvarado will be glad to learn that Mr. Hill is recuperating nicely after being confined to the hospital for a few days. He is home now, and looking forward to the arrival of their daughter, Judy, who will plane in from Radcliffe College on Sunday, Dec. 21, to spend the holidays here.

At Installation

Mrs. Della Crane of Niles was invited to witness the installation of officers of the Los Gatos Chapter, O.E.S., last Monday evening. Her niece, Miss Edith Sperry, was installed as conductress.

Former Niles People to Have White Christmas

A note comes from Mrs. Teal, former Niles resident, telling of the first snow at their new home in Greenville. They are looking forward to a white Christmas as the altitude in the little northern California town is 3500 feet. The Teals formerly lived on Nursery Road.

Celebrate Anniversary

Mr. and Mrs. Walter Zbyzanski, Irvington, celebrated their first wedding anniversary last week with a dinner given by Mrs. Zbyzanski's parents, Mr. and Mrs. Manuel Garcia in Irvington. Joining them later in the evening for refreshments were Mr. and Mrs. Clifford Rogers and their sons, Stefan and Jack, of Newark.

Attend Luncheon

Three localites attended a luncheon in San Francisco last week given at the home of Mrs. Jane Munson. The three were Mrs. Thomas Elliott of Niles, Mrs. Howard Overacker Jr. of Mission San Jose, and Mrs. Jack Alberg of Niles. Also present at the luncheon was a former Niles resident, Mrs. Marjorie Richards.

Home from Vacation

Mr. and Mrs. Joseph Perry have returned to their home in Irvington after a week's vacation spent visiting friends in Garberville.

To Santa Clara

Mrs. Mae Avilla, Mrs. Mary Rose and Mrs. Beatrice Enos, Irvington, attended the official visit of the Y.L.I. Grand President at the St. Claire Institute in Santa Clara last week.

To Return

Mr. and Mrs. Ralph Allan are expected to return home from Stockton at the end of this week. Mr. Allen has been up there for the purpose of installing a bakery oven at Folsom.

At Luncheon

Mrs. Jack Alberg of Niles attended a luncheon this week given in San Francisco at the home of her sister, Mrs. R. Raetz.

NILES WOMAN IS NOW RADIO WRITER

Radio fans in the township who listen to the "First Nighter" program will be more interested than usual when they tune in Saturday, December 13, for the regular program. For at that time a play written by a former Niles woman, Mrs. George Sladek, will be broadcast.

Mr. and Mrs. Sladek and their daughter, Rosanne, and son, Jim, lived on the Shinn Ranch for several years while Mr. Sladek was superintendent at Kraftite.

Mrs. Sladek uses the pen name Lynn Thomas.

The Sladeks are now living in San Angelo, Texas.

CLOTHING DRIVE

(Continued from page 1)
ration per person for the coming year is only one pair of stockings, one towel, one yard of mending cloth, and one ounce of thread.

To help meet these needs the Quakers have shipped 1,000 tons of clothing and shoes this year. In terms of an undershirt for shivering Jacob in Austria or a heavy jacket for Pierre of France this amount can be translated into 3,000,000 garments and pairs of shoes!

I hope your Township Clothing Drive can do much to meet the needs of the people in Europe and Asia. Actually a garment given now will be on somebody's back this winter. Here are our needs:

New clothing for all ages. Second hand clothing for all ages—it is helpful if the clothing comes to us cleaned and mended—but all clothing is needed. Other needs are new or mended shoes, quilts, blankets, sheets, pillow cases, towels, wash cloths, diapers, sewing materials (place in a bag). Things NOT needed are straw hats, shoes needing repair, high heeled shoes, men's collars, trinkets, belts, old stockings; anything too worn for continued hard service.

Especially at this time of the year it seems most meaningful to give clothing. We must listen to and answer the call of those who suffer from cold. "I was naked and ye clothed me."

Good luck to your drive.

Cordially,
RUSSEL F. JORGENSEN
Foreign Service Secretary.

CARD OF THANKS
The Centerville Elementary School P.T.A. wishes to thank the Township Register and everyone whose cooperation and generosity made the annual benefit whist party held on Friday evening, Dec. 5, such a success.

A splendid sum of money was raised for the school cafeteria.

FOOTBALL BANQUET TUESDAY EVENING
Coaches and players of the Washington Union High School football squad will be the guests of the school P.T.A. at the annual Football Banquet to be given at the school cafeteria Tuesday evening.

Mrs. Reginald Calhoun is chairman of the affair and members of the Girls' League will be in charge of the serving. A turkey dinner will be served to an expected 125 guests.

BENEFIT DANCE BRINGS IN \$80
Over \$80 will go to the Children's Hospital of the East Bay as a result of the benefit show put on last Wednesday at the Niles School by the Carol Jean dancers.

The program, sponsored by the Toyon Branch, was acclaimed a great success by those who were fortunate enough to witness it. Many local children appeared in the unique and entertaining dances, in costumes cleverly fashioned by their mothers.

FINAL RITES FOR RALPH RICHMOND

Funeral services were held Wednesday at Pratt-Flierl parlors in Hayward for Ralph Addison Richmond, son of the late supervisor Ralph V. Richmond.

The deceased, only 38 years of age, was stricken with a heart attack last Sunday and died within a few hours at his home at 833 Outlook avenue, Oakland. It was almost a year ago that his mother, a resident of Niles, passed away.

Born in Newark, Richmond later lived in Niles where he attended the Niles school and also Washington High. At the time of his death he was a deputy county clerk.

He is survived by his widow and a six-year-old son. Mrs. O. E. Walpert of Niles is his aunt.

The thermal gradient of the earth is about 1°C for every 100 feet of descent.
